Common Application Answers While the premise of the Common App is simple, it generates a lot of questions. Consequently, I asked Scott Anderson, the director of outreach at The Common Application, Inc., to field some of the issues that students often encounter.

## **11 Things To Know About the Common Application**

Common good is not owned either by individuals or by the State. It is not property. Property is the opposite of community. Hence common property (in this sense of the word “common”) is a contradiction in terms. Community is something in which we all participate but which we do not own, whether individually or collectively.
