The organization of the Plan mirrors the functional elements of the system that have been designed to support the transition of Class Members from IMDs to community placement, beginning with outreach to the Class Members, individualized evaluation and service planning, and ultimately transitioning to housing and community-based services.

IDHS: Williams Consent Decree Implementation Plan

A Proof-of-Work (PoW) system (or protocol, or function) is an economic measure to deter denial of service attacks and other service abuses such as spam on a network by requiring some work from the service requester, usually meaning processing time by a computer. The concept was invented by Cynthia Dwork and Moni Naor as presented in a 1993 journal article.

Proof-of-work system - Wikipedia

Jake, Yes, I saw the Fallows writeup. I read a lot of climate change science (as a layman, mind you), and the disconnect between the nightmare scenarios and the indifference of both politicians and ordinary citizens is jarring.
